## Specifications

- Historic Remodel / State Historic Fund Project
- Cupola Re-Creation , Structural Framing, Foundation, re pointing, and extensive masonry repair
- Unique Challenges: The exterior of the building is landmarked, so it could not be altered and had to be restored to the Department of Interior and State of Historic Fund standards.
- The entire floor, foundation and roof structure were compromised and had to be rebuilt. The masonry stabilization alone was over 2 months of the project.

*“Historic Boulder and I are happy to recommend Milo Construction and Pat Minniear and his skilled team for any similar project” ~Thomas Thorpe*
